

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

A concentrated, heavy duty cleaner for almost any washing job on board using either fresh or sea water. Removes oil, grease and dirt and leaves hulls, decks, chrome and fittings sparkling clean. Protects paint work and does not cause any chemical reaction.

DIRECTIONS FOR USE

Usage

A general purpose cleaner on metal, fibreglass, painted surfaces, finished wood .and many other surfaces. Does not leave any residue when dry.

Boat Wash may also be added directly to the bilge water where the ship's rolling action provides automatic cleaning.

Dilution ratio

1:30 for light cleaning, 1:10 for heavier duty cleaning

Finish

Emerald Green

Pack Sizes

01 litre, 04 litres, 25 litres

QUICK TIPS

Apply product by means of a sponge, cloth or brush. May be used undiluted or mixed with fresh of sea water. Rinse well with clean water and allow to dry.

Make use of the Boat wash prior to degreasing of boat hull with a suitable thinner, T500
A tack cloth may be used to ensure minimal dust contact on the surface prior to painting

Key to a good paint job is always about the surface preparation
